Enrollment Plan for High School Students  
enrolling in courses at UW Madison

Term of application/enrollment (e.g. Fall, 20XX): ___________________  Youth Options? Yes/No  

List up to 5 Course choices (Youth Options students must restrict choices to those approved on your Youth Options form). Include course title and course number, how you have met any course pre-requisites, if applicable, and briefly how the course meets your academic plan.

UW Madison High School Student Policy:
- Student must exhaust all available high school courses in academic subject area first.
- Student has met with his/her school counselor who has endorsed course choices.
- Student understands that standard policy is ONE course/semester.
- Only 100-200 (Elementary) level courses (without a pre-requisite) and courses open to college freshman are allowed unless you have met the pre-req or placement requirements.
- Courses ending in -90 and -99 are not allowed.

Verify that you meet ALL course prerequisites and have viewed all other class information online via the Schedule of Classes at http://registrar.wisc.edu/schedule_of_classes.htm

I understand that enrolling as a University Special Student, I must adhere to the following:
- I have met the pre-requisites (i.e., class standing; course pre-requisites) for all courses listed.
- In accordance with FERPA, communication is expected from me (student) regarding any specific course enrollment details. The University will only communicate with the student.
- I agree to use WiscMail to check any official correspondence from the University.
- University Special Students enroll last, after all undergraduate and degree students have enrolled and have been accommodated on any course wait lists. (Instructor permission does not supersede this requirement.)
